## IBTC Course Details **Caulking with Oakum & Cotton**

2 Day Course

£320 inc VAT

This course teaches students the process of caulking (the filling of the seams between planks) in wooden boats.

You will learn to spin both oakum and cotton in preparation, learn the different types of tools used in the process and finally caulk up a real yacht or other vessel.

The course includes the practical use of hot pitch and putty as well as more modern sealants used for caulking today.

A certificate of competence is issued upon successful completion.
