90 days after the course start date	£66,00
180 days after the course start date	£3,900
Total inclusive of VAT	16,750

Above fees includes all materials for all joinery exercises, course text book & Router Course

Courses Start Dates:

10th January 9th May 5th September 2022

City & Guilds registration and examination fees and the IBTC Diploma and exam are all included in the 47-week Boatbuilding Course fees

Tools:

Students require a full set of their own tools. If purchased new through the College, the cost is currently approximately £680 including VAT. Payment due once tools have been issued.

Students are not required to have all tools on day one and we are happy to provide guidance as to what to buy. Good quality, second-hand tools are perfectly acceptable and can offer a considerable saving.
